## **What is the Dink King Solo?**

Dink King have created the UK's first Solo Pickleball training aid, which is a flexible, weatherproof target practice which allows the user to fix the aid to the wall and train alone.

## **Benefits**

Improves on target control, ball control and co-ordination, the Dink King Solo is literally a game changer!

## **Finer Details:**

- Size 3ftx4ft
- For indoor or outdoor use
- Weatherproof
- Fixable to any smooth surface or mount on a board.
- Available in Blue, Red or Yellow!
- Made from durable PVC 440msg
- Buyer will need to provide own glue or staples.
